OFFICE OF LEGISLATIVE COUNSEL

Friday - 7 September 1962

25X1 1. [] Talked with Kenneth Sprankle, House Appropriations Committee staff, regarding the redraft of H.R. 12923 which had been delivered for the Chairman on Thursday. Also discussed briefly SIC-S-4-62, dated 23 May 1962, entitled "Soviet Science and Technology Through 1971." Mr. Sprankle indicated that with the present press of work, he would be unable to review the study at this time. He accepted my suggestion that it might be well if we were to retain his copy until such time as he might desire to have it.

25X1 2. [] Advised by []
25X1 Logistics, that [] has received, through Army channels, a complaint of another laborer to Representative Henry B. Gonzalez. The letter will be answered in routine fashion through Army channels back to Gonzalez. See Journal of 5 September.
